

**BBP Enterprises Pty. Ltd.**  
**VapourBLAST**

**Please print this form and include it with any parts being sent for Vapour Blasting.**

As per our website's FAQ page, please ensure all items are

- Free of heavy grease or sludge
- Not powder coated or painted with 2-pack paints (please call me regarding this)
- Please package your parts well to prevent damage

Please send your parts to: VapourBLAST  
Unit 3 / 27 Shettleston St  
Rocklea Qld 4106

Call me if you would like advice on shipping options. Ben ☎ 0401 454 327

Once your parts have been processed I will email photos and await payment before shipping the items back to you.

Disclaimer: All items are rinsed and compressed air dried after the blasting process. Whilst every effort is made to ensure returned parts are free of residual blasting media, it is the customer's responsibility to check all parts for cleanliness prior to assembly as damage may occur from contamination. BBP Enterprises Pty. Ltd. will return your items via a trackable shipping service and are not responsible for parts misplaced or lost during shipping.
